

TRAFFIC MANAGEMENT PRODUCTS

there are sheep...
and there are shepherds.
which one are you?

AREA TECHNICAL MANAGER

LONDON, THE SOUTH AND SOUTH WEST OF ENGLAND

An exciting opportunity has arisen for an Area Technical Manager for one of the leading UK companies operating within the Traffic & Parking sectors. The ideal candidate will have experience of "specification" selling and a proven track record of sales in the Highways sector. Selling to an existing client base as well as new business development within our market sectors, are prerequisites of the role.

A competitive salary, bonus and company car are offered. If you think you have what it takes, apply in writing, including your CV and current remuneration to:

Rachel Kemmish
PA to the Managing Director
Traffic Management Products Ltd
Woodbridge House
Chapel Road
Smallfield
Surrey RH6 9NW
